BECOSULES WOMEN ® SUMMARY OF PRODUCT INFORMATION:

Before recommending, please refer to the full product information of BECOSULES WOMEN. Becosules Women is a nutraceutical. Brand Name: Becosules ® Women. ® Trademark Proprietor: Pfizer Products Inc., USA, Licensed User: Pfizer Limited, India Generic Name: Micronutrients, Natural Extracts, Amino Acids, Evening Primrose Oil & Biotin Capsules. ® Trademark Proprietor: Pfizer Products Inc., USA, Licensed User: Pfizer Limited, India Health Recommendations: During certain physiological and pathological conditions, the body's need for micro and macronutrients may not be met by diet alone. Becosules women help to bridge the gap between the body's requirement and the dietary intake. The ingredients of Becosules women may have a role in reproductive health, menstrual health, bone health, skin health, hair health, thyroid health, immunity and energy production. Pharmaceutical Form: Soft gelatin capsules. Each serving/1.15 g (per soft gelatin capsule) contains approximately: Energy 5.39 Kcal, Carbohydrate 0.17 g, Protein 0.24 g, Fat 0.42 g, Sugars 0.00 g, Saturated Fatty acids maximum 0.13 g, Trans Fatty acids 0.00 g, Methionine 22 mg, Glutamic acid 20 mg, Lysine 10 mg, Inositol 10 mg, Cysteine 2.5 mg, Choline Bitartrate 10 mg, Evening Primrose Oil 120 mg, Ginkgo biloba Extract 20 mg, Citrus bioflavonoids 12.5 mg, Green tea extract 10 mg, Mixed Carotenoids 10% dispersion 5 mg, Lycopene 10% dispersion 2 mg, Vitamin C 40 mg, Niacinamide 12 mg, Vitamin E 9.09 mg, Pantothenic Acid 5 mg, Vitamin B6 2 mg, Vitamin B1 1 mg, Vitamin B2 1 mg, Vitamin A 480.48 mcg, Biotin 30 mcg, Folic acid 100 mcg, Vitamin K 55 mcg, Vitamin B12 1 mcg, Vitamin D3 400 IU, Iron 21 mg, Zinc 10 mg, Potassium 10 mg, Chloride 9.07 mg, Manganese 4 mg, Calcium 5 mg, Phosphorous 3.86 mg, Copper 1.35 mg, Molybdenum 45 mcg, Iodine 50 mcg, Selenium 26 mcg. Dosage: One soft gelatin capsule daily for adults. This product is not intended to diagnose, treat, cure or prevent any disease. Use in Children: Becosules women is recommended for adults only. Method of administration: Oral. Contraindications: Not recommended if Allergy (hypersensitivity) to any ingredient of Becosules women. Warnings & Precautions: Excessive intake of vitamins A and D can lead to hypervitaminosis A and D respectively. Caution should be exercised when supplements containing vitamin K are administered in individuals on anti-coagulant therapy like warfarin and other coumarin derivatives, as vitamin K could make warfarin less effective. In such situations, the consumer should take the guidance of their treating physician. Riboflavin in Becosules women may color the urine yellow. Iron in Becosules women may give black coloration to faeces. Use in special population: Consult your doctor in case you are pregnant, lactating or taking any other medicine. Food supplements are not known to impair the ability to drive or use machinery. Adverse reactions: The active ingredients in Becosules women are all nutrients normally available in the diet. There is very little observed and documented evidence of undesirable effects with these ingredients in the quantity recommended for the product. However, the chance of an allergic (hypersensitivity) reaction to any of the ingredients, though remote, cannot be completely ruled out. Drug interactions: Per recommended usage/intake, interactions are unlikely and have not been reported. Storage condition: Store in a cool, dry place below 25°C, and protect from direct sunlight. Keep out of reach of children. SPI of LPDBW062023
